

## Medical Supplies

Medical Division Kilcrest (Pty) Ltd is a distributor of electro-medical devices and medical consumables throughout Southern Africa. We provide specialised equipment to meet the stringent expectations of specialist physicians, private clinics and hospitals – including operating theatres, critical care, high care units, trauma and emergency care. We also cater for the occupational health and home care sectors. Our products are designed to be aesthetically pleasing, provide high levels of functionality, minimise dirt traps and facilitate ease of cleaning. We provide a market leading service with many products available for immediate dispatch. Our extensive product range includes

- Medical Trolleys
- Drug Trolleys, both static and variable height
- Medical Couches,
- Plinths,
- Controlled Drug Cabinets,
- Medicine Cabinets,
- Ward Screens
- Clinical bins
- Surgical products
- Pharmaceutical Products
- Medical equipment
- Dental products

WHAT SETS US APART? Professional cost effective service. Qualified healthcare personnel with technical experience. Quick responsive and cooperative performance. Commitment to quality. State of the art ERP system with customer focused CRM functionality. Excellence in providing quality Health Care Solutions. We welcome enquiries from anyone to discuss our ranges. We supply our products through market leading distributors and for refurbishment and equipping we have a dedicated projects department.
